Modern Madrigals Book Three

Mein Lieder

Angela Merkel, Angela Merkel
Ach mein herz!
Ach du schmerz!
Angela Merkel, Angela Merkel
Now we've sung our German lieder.

Needs

I need a Range Rover
Though you may think it funny
I need to show the world
That I've got lots of money.

I need a Range Rover
It lacks originality
But then again I haven't
Really got a personality.

I need a Range Rover
Though you may think I'm silly
I'm compensating for
A very tiny willy.

We need a Range Rover
The choice was not a fraught one
We need a Range Rover
Choice? We never sought one
We need a Range Rover
'Cos all our friends have bought one.

Ode to Middle Age

O hairs that grow out of mine ear
You're in the wrong part of my head
I wish you would just disappear
And grow out of the bald patch instead.
Where you're needed.
