Felix sit annus novus!

Felix sit annus novus!
Felix sit annus novus!

Happy new year!
Happy new year!

Quidquid latine dictum sit
altum videtur
Merda taurorum animas conturbat
res melius evinissent cum coca

Thus goes the Latin saying
Expressing warmest wishes
May no tempest disturb your spirit
May all turn out for the best

Vinum bellum iucunumque est
sed animo corporeque caret
Nullum gratuitum prandium
stercus accidit

May the fruit of the vine cheer you
But have no physical ill-effects
May no nasty hangover
Affect you next day.

Felix sit annus novus!
Felix sit annus novus!

Happy new year!
